OTHER	<input type="text"/>		

\$35 Minimum ENG - \$50 Minimum CUT

## ACKNOWLEDGEMENT

By signing my order form I understand that proofs/samples provided by Monroe Laser Engraving give a rough estimation of the outcome of my project. Many materials will react differently to the laser, even materials of the same 'type'. Engraving may result in a slightly different color or depth than sampled. I understand that engraving is an art, not a science, and I acknowledge the inherent risk and potentially varied outcome with this item.
